Reload Form

Owner

Legally binding declaration:
I hereby declare that I am the owner/ the authorised representative of the owner of the aforementioned locking system. As verification of my declaration, I provide you with more specific details of the locking system below. No new security card can be issued without indicating the locking number for the master or grand master key and three locking device numbers in the locking system.

Size of system = about .... cylinders

Key org. no. in the locking system:

MK/GMK =		

As the current valid security card has been lost, I request that you issue a replacement security card with a new code. On receiving the new security card, I accept that the specialist retailer will only accepted any re-orders for the aforementioned locking system on submission of this new security card.
